Event Comments:

Include any problems encountered and any information that would help to improve this event.

The 2017 Razzle Dazzle Good Time Parade had great weather and was well attended and started at 9:55. There were more people of Main Street than in previous years, probably because of the fencing. The fencing did not cause any issues with the parade. People started staging at about 0800. The parade was 1 1/2 hours long.
The City Street Department did not put any barricades up at Main and Eldorado, either on the north or south side of Eldorado. We had 2 Officers at North and Main to funnel cars west on W North St.
The Street Dept. did provide barricades at Sheridan and Franklin as suggested from 2016.
Sgt. Bonnell stated he, "saw a lot of problems on Cantrell. A lot of cars were ignoring all signs and cones, then doing u-turns with heavy traffic coming at them. Some were using the BBQ parking lot to sneak onto Franklin."
DAS was called prior to the parade route, west of Decatur St, on Franklin St. for a parade participant. The DAS ambulance cart assisted with the patient while their full size ambulance waited at Franklin and Decatur, along with a DAS Supervisor SUV. The Officers at Franklin and Decatur were able to direct east and west bound traffic around these vehicles. No other issues were reported.
There was a run right before the parade. Start point was at Main/Franklin and they ran the parade route to Main/Main. It started at 9:50.
