

NON-MOTORIZED WATERCRAFTS – WATER USAGE STAMP REQUIRED

In 2013, The Illinois Department of Natural Resources had decided that all “Non-motorized watercraft, canoes, kayaks and paddle boats in Illinois are no longer required to be titled/registered in Illinois, unless the vessels have a motor or sail. Water Usage Stamps are mandatory for all non-powered watercraft, **except those with an Illinois registration that does not expire until June 30, 2018 (“18”)**.

In order to renew your City of Decatur boat permit on a non-motorized watercraft for the 2017 year, you must provide a copy of a 2017 Water Usage Stamp or the Illinois Registration that does not expire until June 30, 2018. If you will be mailing in your renewal, please enclose the copy with your bill and payment. If you pay your bill online, you must take the copy with your email confirmation to the Lake Patrol Office. If you pay at the City Of Decatur Cashier’s Window on the 2nd floor of the Civic Center, a copy can be made at that time.

Per the Illinois DNR, the stamps are available over the counter from DNR Direct license and permit point of sale vendors.
