

GROUP # 1
CONNECTIVITY AND PARTNERSHIPS
Group Notes 11/7/2017

- Groups referring to other groups
- How do groups hear about other groups?
- Get people involved!
- Young people engaged/remain in community
- Clearinghouse of local entertainment or other info needs (HSAC, Web 211)
- Inspiration/Caring
- Find ways to support initiatives
- Public resources for information
- Public meeting space
- Have EDC involved in all
- Get involved/ Don't wait to be asked
- See other groups as teammates-not competition
- Share what you're doing/toot horn/ get it out there
- Define goals to achieve/Not just talk
- Track progress
- Maintain positive attitude!
- Share positive messages
- Identify multiple ways to communicate info
- Come more aware by being more involved

- Hurdles
 - Too much information?
 - Not enough focus of information
 - Definition of "need"
 - Lack of diverse resources for information
 - Need for more person to person interaction
 - Have a visual theme for all to share and embrace
 - More cohesive neighborhoods
 - How to get info to regular folks?
 - Local marketing resources (EDC-Hub, Marketing 101)
 - Get people/citizens to look around and think outside of their silos
 - Organizations have info about other services on hand (recurring incidents/experiences)
 - Relationships!
 - Organizations need web representation

- Explore "like" cities that have revitalized
 - Steal good ideas!!
