I. Introductions

Paul Caswell provided introductions

II. Project Review and Questions

This work shall consist of restoring a deteriorating section of the City's storm sewer system. This will include the installation of a specialty storm sewer junction chamber and a specialty storm sewer transition piece and the redirection of a section of water main. The work also includes driveway and parking lot pavement removal and restoration along with traffic control, and other items of restoration. This work will be in close proximity to Spacin Vapors at 2802 N Main St. and will require close coordination between the contractor and tenant.

III. Minority Participation Goals Review of City Code Chapter 28, Article 10 (Handout and Discussion).

A. Policy

*The City requires that general contractors show good faith efforts to meet the City's goals of 10% of the project amount be used to hire MBE subcontractors when subcontracting opportunities exist, **and** 18% total hours are to be worked by minority employees. Note that there are two goals that need to be addressed.*

B. Definitions

The Prospective bidders are directed to the attached handout that provides an excerpt of the State's definition of a minority.

C. Project Goals and Good Faith Efforts

1. Subcontracting is not required but if a subcontractor is used a Good Faith Effort must be made to fill the stated goal.
2. The Contractor shall put forward good faith efforts to “actively and aggressively” seek the participation of MBE or minority workers. Discuss options to assist in “actively and aggressively” seeking this participation.

It is expected that a demonstration of “active” and “aggressive” will include actual direct contact with or working with a minority subcontractor in a manner that leads them to provide

actual quotes for the work to be subcontracted. This is benefited by the development of an ongoing relationship with minority subcontractors.

3. The City's expectation of what will be required to demonstrate a Good Faith Effort.

*The City regards a good faith effort, at a minimum, to include direct contacts with 2-3 MBE subcontractors for **each** subcontracting opportunity until the goal is met. The contacts must be with subcontractors that provide the type of work that is being subcontracted. Mass e-mail contacts alone are not considered a good faith effort. Documented follow up requests are required if no response is received. The bidder is to provide all work, all contacts, the method of contact (email, phone, personal, etc.), and the results of each contact. **Email requests with no reply or other evidence of direct contact are not considered to be acceptable direct contacts.***

City staff can have no contact with bidders regarding their bid submittal after bids have been opened, so their only opportunity to demonstrate a good faith effort, is to provide all supportive evidence with the bid document. For the benefit of the review that must be conducted by City staff, it is helpful for the bidders to group their direct contacts according to the subcontracting opportunity.

Minority Workers Goal: 18% total hours worked should be performed by minority workers.

The City tracks this goal through ePrismSoft and prevailing wage reports when required.

IV. Other Items

Bidders should check Decatur Blueprint's website before submitting a bid to make sure there are no addenda's missing. Only contractors on Decatur Blueprint's plan holder list will get updates on addenda. You have to purchase the plans to get on their list. Simply downloading a set of plans from the website does not put you on the bidders list.

The Bid submittal time and place will remain the same at the City's Purchasing Division located on the first floor of the Civic Center, #1 Gary K. Anderson Plaza, Decatur, Illinois, 62523. The City Building (Civic Center) is under lockdown due to COVID 19, it is recommended the Bidder provide additional time to allow for delays when submitting the Bid. No bids will be accepted after the required submittal time. Bids will still be publicly read in the front room of the Civic Center – Rm 100
