<i>Date Received</i>
/ /
<hr/>

Credit Application Instructions

To receive this credit the applicant must provide the following information:

- a) A completed General Credit Application Form
- b) A completed Direct Discharge Credit Application Form
- c) Topographic survey of the applicant's parcel(s), sufficient to verify general drainage patterns and identify key drainage boundaries used to determine the portion of the parcel(s) draining to unincorporated areas. Watershed breaks across the property shall be identified.
- d) Layout of the drainage system on the property, including the location and elevations of natural and structural features
- e) Location of impervious surfaces on the property
- f) Application fee: \$25

Contributing Area Calculations

Impervious area on property that drains directly out of Decatur corporate limits (acres): _____

Total Impervious Area of Property (from General Credit Application Form, acres): _____

Fraction of total impervious area that drains directly out of Decatur (%): _____ **QA =** _____

Direct Discharge Credit Determination

(for City use only)

Has the Applicant provided all required documentation? Yes No

Does a portion of the site discharge outside the City of Decatur corporate limits? Yes No

If any of the answers above is "No" the credit is denied and a letter of determination that identifies the deficiencies is to be sent to the Applicant.

If the answers to all questions are "Yes" the Direct Discharge Credit is computed as:

Credit % = QA x 100% = _____ %
