DECATUR, ILLINOIS 62523-

Request for Public Comments

For Improvement of Center Street (FAU 7374) over Steven's Creek - Bridge Replacement

The City of Decatur requests public comments concerning the proposed improvement of Center Street over Steven's Creek between Hunt St and Elizabeth St. Due to the current COVID pandemic, an informational meeting will not be held. In lieu of a public meeting, project information will be posted on the City of Decatur Website at:

<https://www.decaturl.gov/departments/public-works/center-street-bridge/>

The website provides the information about the need for the project, right-of-way, detour information and the tentative construction schedule. The Preliminary report that includes the engineering analysis, drawings, maps, and aerial photography will also be available online for review.

The City of Decatur will be available during normal office hours to discuss the project. The City can answer individual questions and receive written comments on forms provided on Website. Verbatim comments will not be recorded.

All persons interested in this project are encouraged to review the online material and provide comments. **Comments must be received by September 4, 2020 to be considered for the project.**

For more information or to submit the comment form, contact:

Paul Caswell, P.E.
