I. Introductions

Paul Caswell Provided introductions

II. Project Review

The Project consist of replacing a 20” valve and installing approximately 23 new fire hydrants on existing watermain at various locations within the City. The work also includes items of pavement and landscape restoration, and traffic control.

III. Minority Participation Goals for Public Works Projects

A. Policy

The City of Decatur encourages a diverse workforce for all municipal procurement and public works projects. Toward that end, the City establishes goals for participation by Minority Business Enterprises (MBE) and minority workers for public works contracts, and incentives for procuring equipment, supplies and services for the city government from MBEs.

The City requires that general contractors show good faith efforts to meet the City’s goals of 10% of the project amount be used to hire MBE subcontractors when subcontracting opportunities exist and/or 10% of the total dollar amount of the contract should be for the purchase of goods, material and equipment to Minority Business Enterprise, and 18% total hours are to be worked by minority employees. Note that there are two goals that need to be addressed

B. Definitions

The Prospective bidders are directed to the attached handout that provides an excerpt of the State’s definition of a minority.

C. Project Goals and Good Faith Efforts

- a. Minority Business Enterprise Goal: Subcontracting is not required but if a subcontractor is used a Good Faith Effort must be made to fill the stated goal.

The Contractor shall put forward good faith efforts to “actively and aggressively” seek the participation of MBE or minority workers. It is expected that a demonstration of “active” and “aggressive” will include actual direct contact with or working with a minority subcontractor in a manner that leads them to provide actual quotes for the work to be

subcontracted. This is benefited by the development of an ongoing relationship with minority subcontractors.

*The City regards a good faith effort, at a minimum, to include direct contacts with 2-3 MBE subcontractors for **each** subcontracting opportunity until the goal is met. The contacts must be with subcontractors that provide the type of work that is being subcontracted. Mass e-mail contacts alone are not considered a good faith effort. Documented follow up requests are required if no response is received. The bidder is to provide all work, all contacts, the method of contact (email, phone, personal, etc.), and the results of each contact. **Email requests with no reply or other evidence of direct contact are not considered to be acceptable direct contacts.***

*The City **does not** require documented contacts for the purchase of goods, materials and equipment.*

City staff can have no contact with bidders regarding their bid submittal after bids have been opened, so their only opportunity to demonstrate a good faith effort, is to provide all supportive evidence with the bid document. For the benefit of the review that must be conducted by City staff, it is helpful for the bidders to group their direct contacts according to the subcontracting opportunity.

- b. If a proposal or bid for a public works contract meets or exceeds twenty percent (20%) of the total dollar amount of the contract, the City will award a two percent (2%) bonus of up to a maximum of fifty thousand dollars (\$50,000). Payment of this extra amount or bonus will be made at the end of the contract and after the City has verified and documented that MBE expenditures met or exceeded twenty percent (20%) of total contract value.
- c. Minority Workers Goal: 18% total hours worked should be performed by minority workers.
 - i. tracks this goal through ePrismSoft and prevailing wage reports when required.

- IV. Detailed Project Requirements
 - A. Hydrant Lead Time – need to order early
 - B. Traffic control – traffic control requirement

- V. Other Items

Bidders should check Decatur Blueprint's website before submitting a bid to make sure there are no addenda's missing. Only contractors on Decatur Blueprint's plan holder list will get updates on addenda. You have to purchase the plans to get on their list. Simply downloading a set of plans from the website does not put you on the bidders list.
