FOR IMMEDIATE RELEASE EMERGENCY SNOW ROUTES ALERT

CODE #1

SUBJECT: Emergency Snow Routes Alert Issued by the City of Decatur.

The City of Decatur is issuing an alert giving all drivers advance notice that predicted weather conditions could necessitate the declaration of a snow emergency in the near future.

At the present time, however, all normal traffic and parking regulations remain in effect.

If a snow emergency is declared, the following restrictions would go into effect on Decatur's Emergency Snow Routes:

1. The parking, leaving or standing of any vehicle would be banned on designated Emergency Snow Routes. Emergency Snow Routes are identified by red and white signs.
2. Any vehicle parked on these streets would have to be removed by the time specified in declaration of the snow emergency.

The above alert is hereby authorized by:

FOR IMMEDIATE RELEASE

DECLARATION OF SNOW EMERGENCY

CODE #2

SUBJECT: Snow Emergency is Declared by the City of Decatur.

The City of Decatur has declared a snow emergency effective at:

5:00 AM/PM on 2/1/22

Emergency provisions of Section 11 of Chapter 34 of the City Code of the City of Decatur, Illinois, establishing Emergency Snow Routes will become effective at that time.

Under the snow emergency regulations:

The parking, leaving or standing of any vehicle is prohibited on designated Emergency Snow Routes. The snow emergency routes are identified by red and white signs. The sign reads: **"Emergency Snow Route, No Parking After 2" Snowfall, Tow Away Zone"**.

All vehicles now parked on the snow emergency routes must be removed within six (6) hours of the designated time of this declaration, regardless of normal parking regulations on these streets. Violators of snow emergency regulations are subject to fines and towing.

The above alert is hereby authorized by:

Matthew C. Newell
Director of Public Works
