JULY 2023

8 SUNDAY BUS ROUTE MAP & SCHEDULES

If its been awhile since you've taken a bus... here's how to get started again.

1. If you're not familiar with our routes, we'll bring you up to date quickly. Pick up the phone and call DPTS Information at 424-2800. Tell us where you live and where you're headed. We'll plan your trip for you and mail you a schedule with details and transfer points.

2. Arrive at your stop a minute or two ahead of the time the bus is due. Our drivers make every effort to operate on schedule, but errors can occur. Watches and clocks seldom agree and an error of a minute or two may result in a missed bus.

3. Wait for buses at marked bus stops, not in the middle of the block. This is an important safety factor for other traffic on the street that often must wait while your bus is loading. As an added help to the drivers, please flag the bus as it is approaching.
