Ms. Anne Haaker
Deputy State Historic Preservation Officer
Illinois Historic Preservation Agency
Springfield, Illinois 62701

Dear Ms. Haaker:

Enclosed are copies of the Phase I Archaeological Report completed by Illinois State Archaeological Survey personnel concerning archaeological and historical properties potentially impacted by the above referenced project. Survey of the 21-acre project area resulted in the detection of no archaeological sites. No architectural resources eligible for National Register consideration were identified by IDOT's professional staff.

In accordance with the established procedure for coordination of proposed Illinois Department of Transportation projects, we request the concurrence of the State Historic Preservation Officer in our determination that no historic properties subject to protection under Section 106 of the National Historic Preservation Act of 1966, as amended, will be affected by the proposed project.
